

Reasons to Study
the Original
Substance of Divine
Principle

I. Resolving all the problems in the real world

1. Problems in Today's World

- (1) **View of human life** (mind and body ▪ conflict ▪ confrontation ▪ struggle) individuals, families, societies and nations.

Family issues (divorce, infidelity, breakdown), immorality among teens and young adults, homosexuality, same-sex marriage, AIDS, abortion, gender ideology, school violence, labor-management relations, racial discrimination, international borders, religious conflict, spiritual phenomena, environmental pollution, food shortages, ideological issues (philosophy, democracy - communism), Global issues (Asia, Middle East), Issues in philosophy (existence, relationships) Peace & Unification Issues (war, hunger, disease, education)

- (2) **View of God** (view of life, marriage, nation, world, history, universe, history)

True view of humans (What kind of being am I?, Am I true? Am I false?)

True values (How to distinguish right from wrong. Good v evil, true v false, truth v untruth)

Values determine

Thoughts→Judgments→Opinions→Decisions→Actions→Lifestyles.

I. Resolving all the problems in the real world

2. How Did These Problems Occur?

(1) **By the Human Fall**

- ① If Adam and Eve had believed in God's Word and practiced it to reach completion, they would have become the True Parents and God's ideal world of creation would have been realized. (3 Great Blessings - Gen 1:28)
- ② Because they fell, Adam and Eve could not become the True Parents. They became false parents and formed a false family. The world became a world of evil on earth and in heaven. This is the cause of the world's problems. Because humanity is born from false parents, we cannot solve the problems of the real world. Why is this? It is because humanity that is descended from fallen Adam and Eve has lost the true God. We are born centering on Satan.

Human Beings lost our True Parents and became orphans.

I. Resolving all the problems in the real world

2. How Did These Problems Occur?

(1) By the Human Fall

- ③ When the True Parent comes and performs the Holy Blessing Ceremony for the first time since the beginning of Creation, the True Parent Ideal begins. The completion of the ideal of Creation will be accomplished.

The True Parent must bring Satan to natural subjugation by fighting myriad satans on earth and in the spirit world by means of the principle of restoration through indemnity to gain victory in each of the eight vertical and horizontal stages laid by the false parent. Only then can True Parents be manifested to complete God's Ideal of Creation (Declaration of Foundation Day).

Satan's world began with Adam and Eve committing the Fall through illicit sex and becoming false parents centered on Satan. So the world of God's Ideal of Creation comes about centered on God and in accordance with the True Parent's teachings of OSDP/Absolute Sex. Centering on the True Parent, all the world's problems will be resolved and the world of the Cheon Il Guk ideal of the original creation will be accomplished.

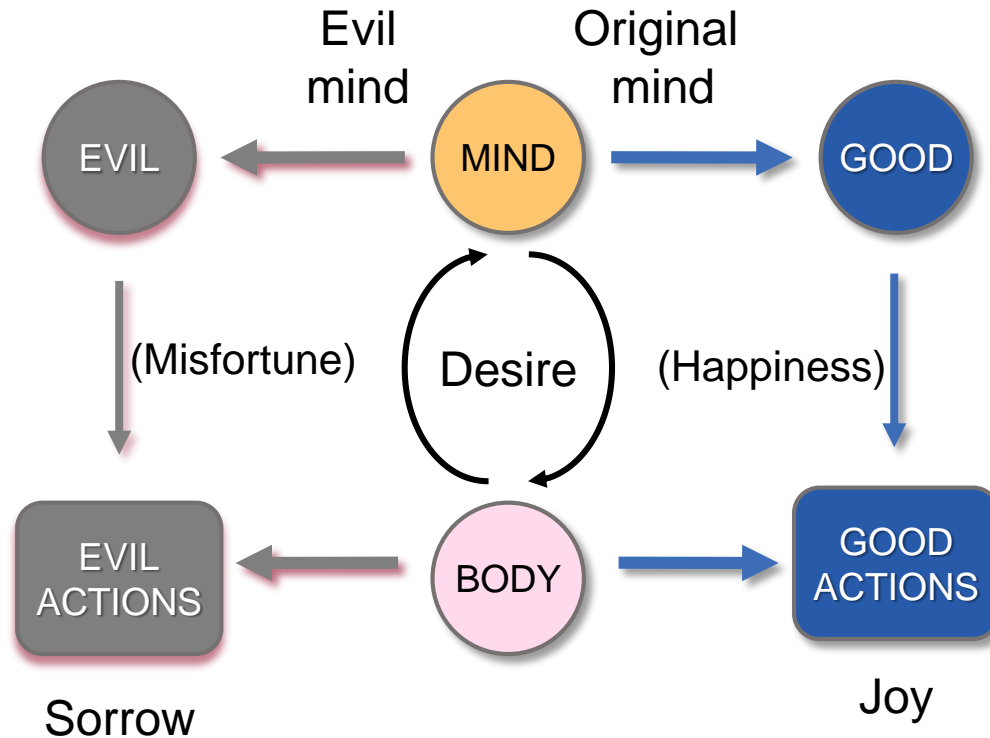

This is the most important reason for studying the Original Substance of the Divine Principle.

I. Resolving all the problems in the real world

2. How Did These Problems Occur?

(2) What Kind of Being is a Fallen Human?

- ① Contradictory being, womb of good and evil, unprincipled being, fallen nature, original sin
- ② Mind-body conflict, confrontation and struggle

Contradictory being
Womb of good and evil
Unprincipled being
Fallen nature, original sin

Romans 7:17-25
1 John 1: 8-10
Romans 3:10-11
1 Thess 5:17

I. Resolving all the problems in the real world

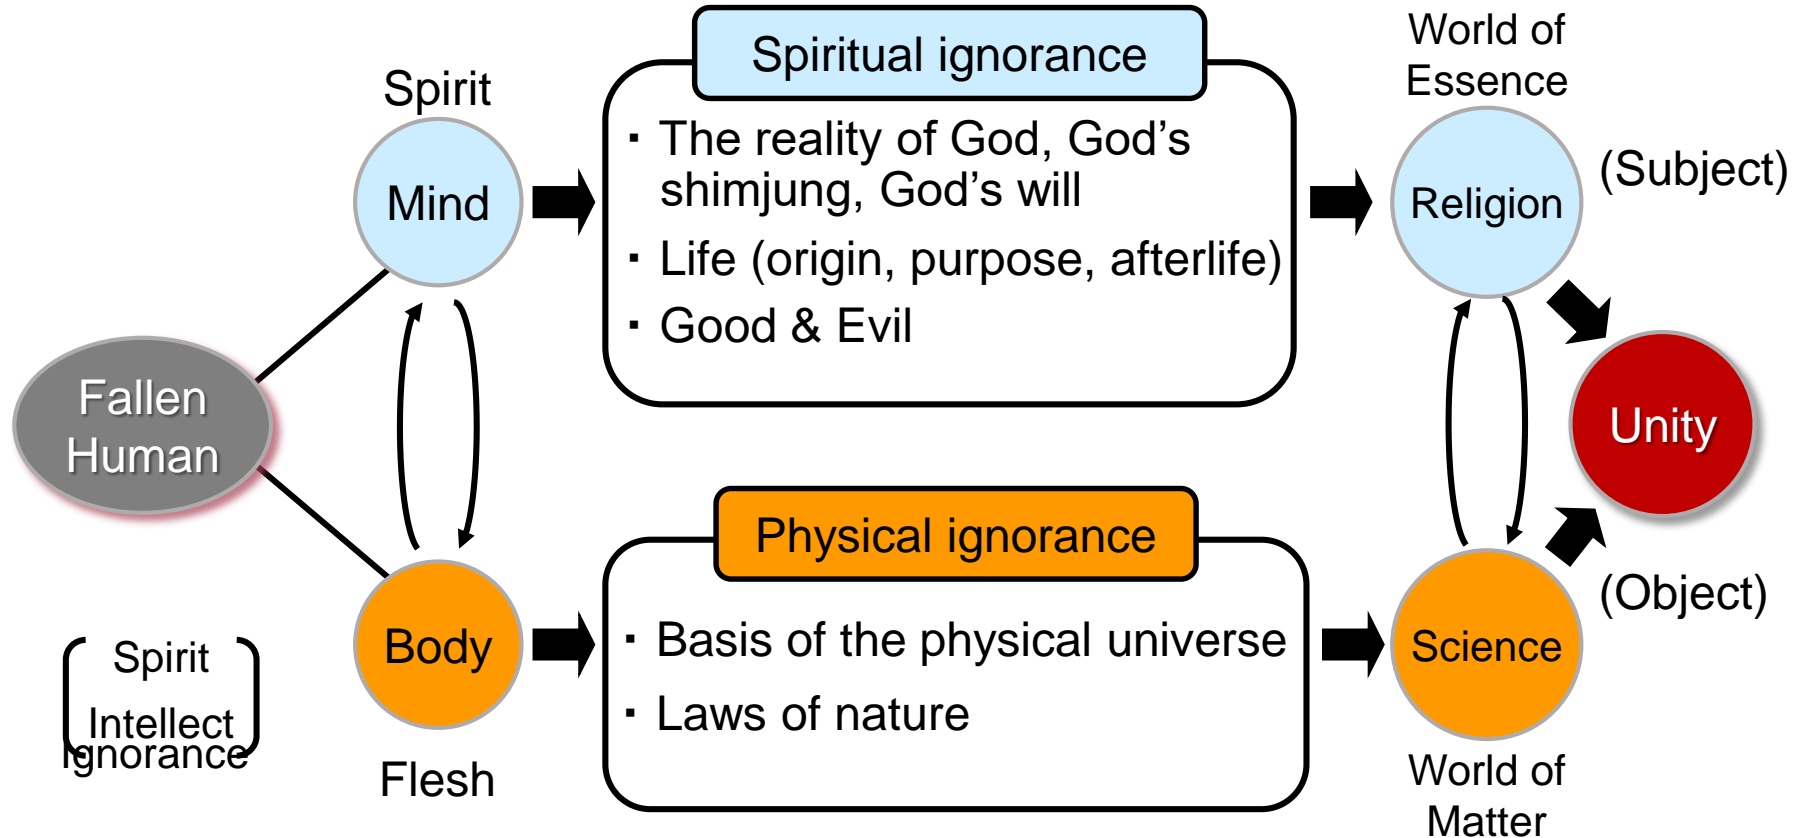

2. How Did These Problems Occur?

(2) What Kind of Being is a Fallen Human?

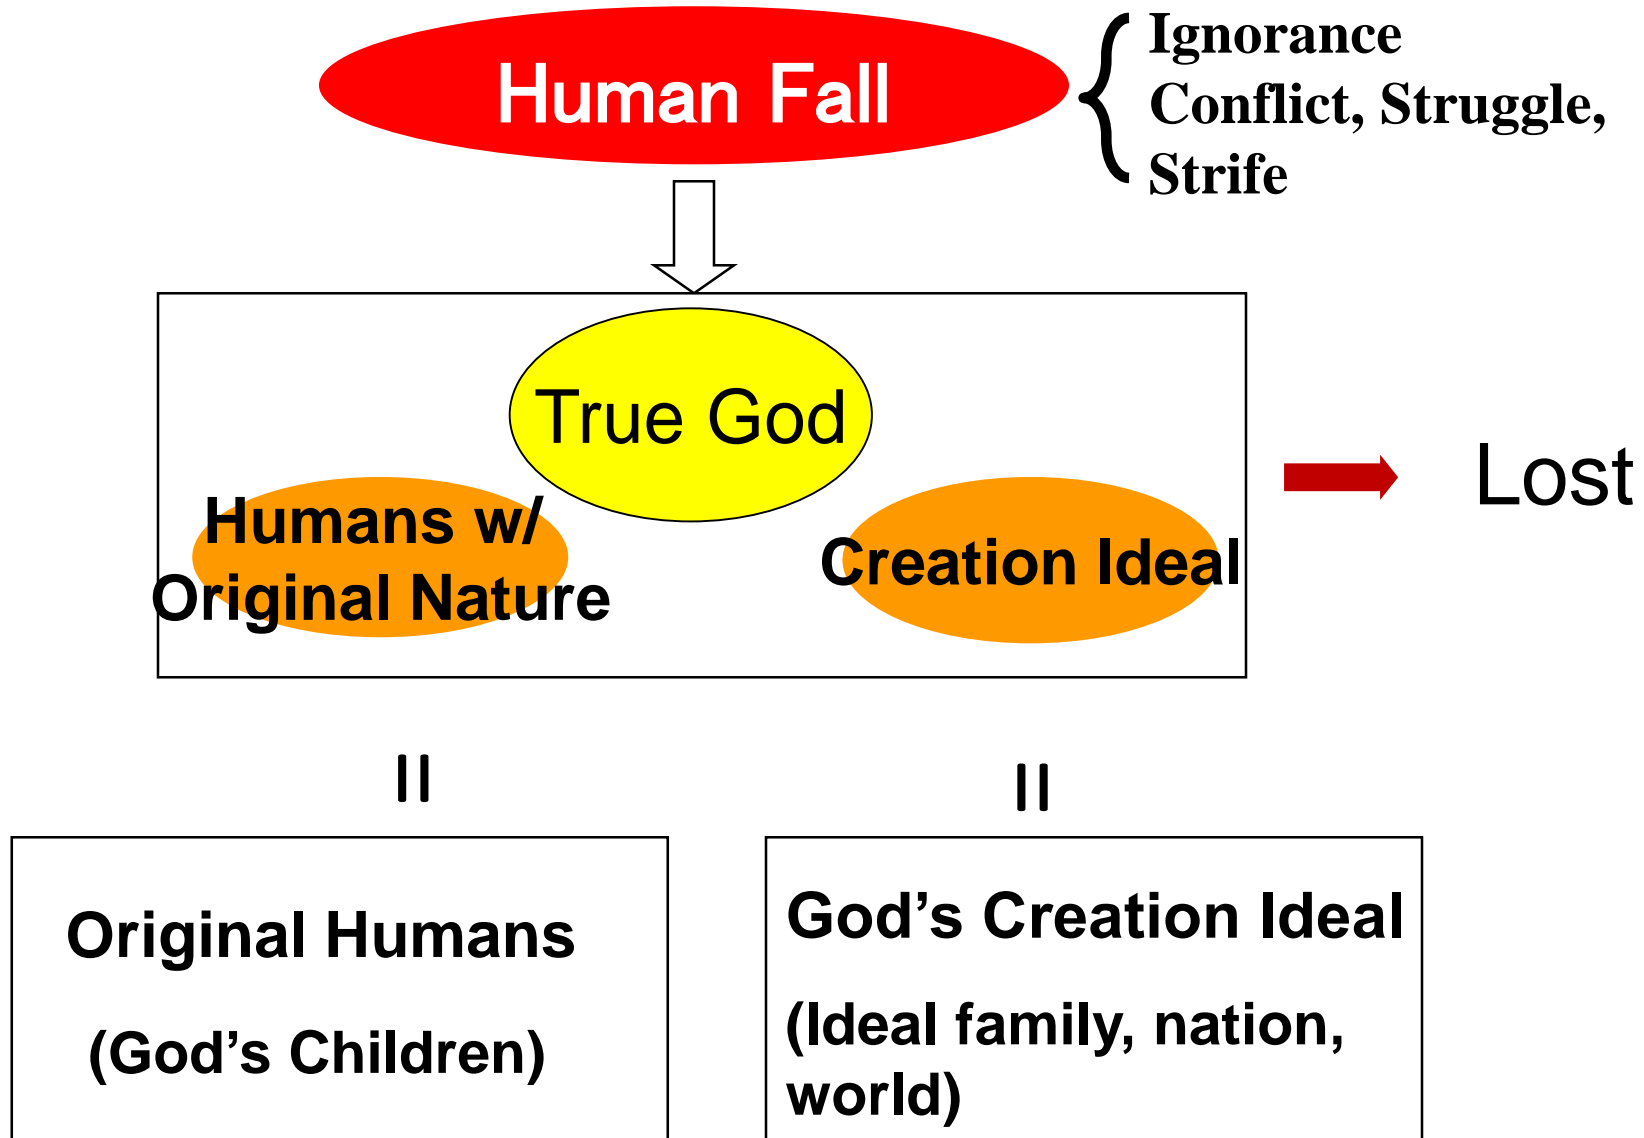

③ Spiritually and physically ignorant

Humans are ignorant in spirit and in intellect

- God - True Parent - spirit world - portion of responsibility, purpose of creation, true family, sin and restoration through indemnity

④ What was lost by the Human Fall?

3) Reasons We Cannot Solve World's Problems

- (1) Trying to solve the problems while denying the Creator.
- (2) Even when believing in God, people fail to place God at the center, trying instead try to solve problems centering on ourselves.
- (3) People avoid acknowledging that we ourselves are fallen beings

Leaders have tried hard to solve the world's problems, but the fundamental problems remain unresolved.

2. How Must We Solve the World's Problems?

1) Through Education (new values)

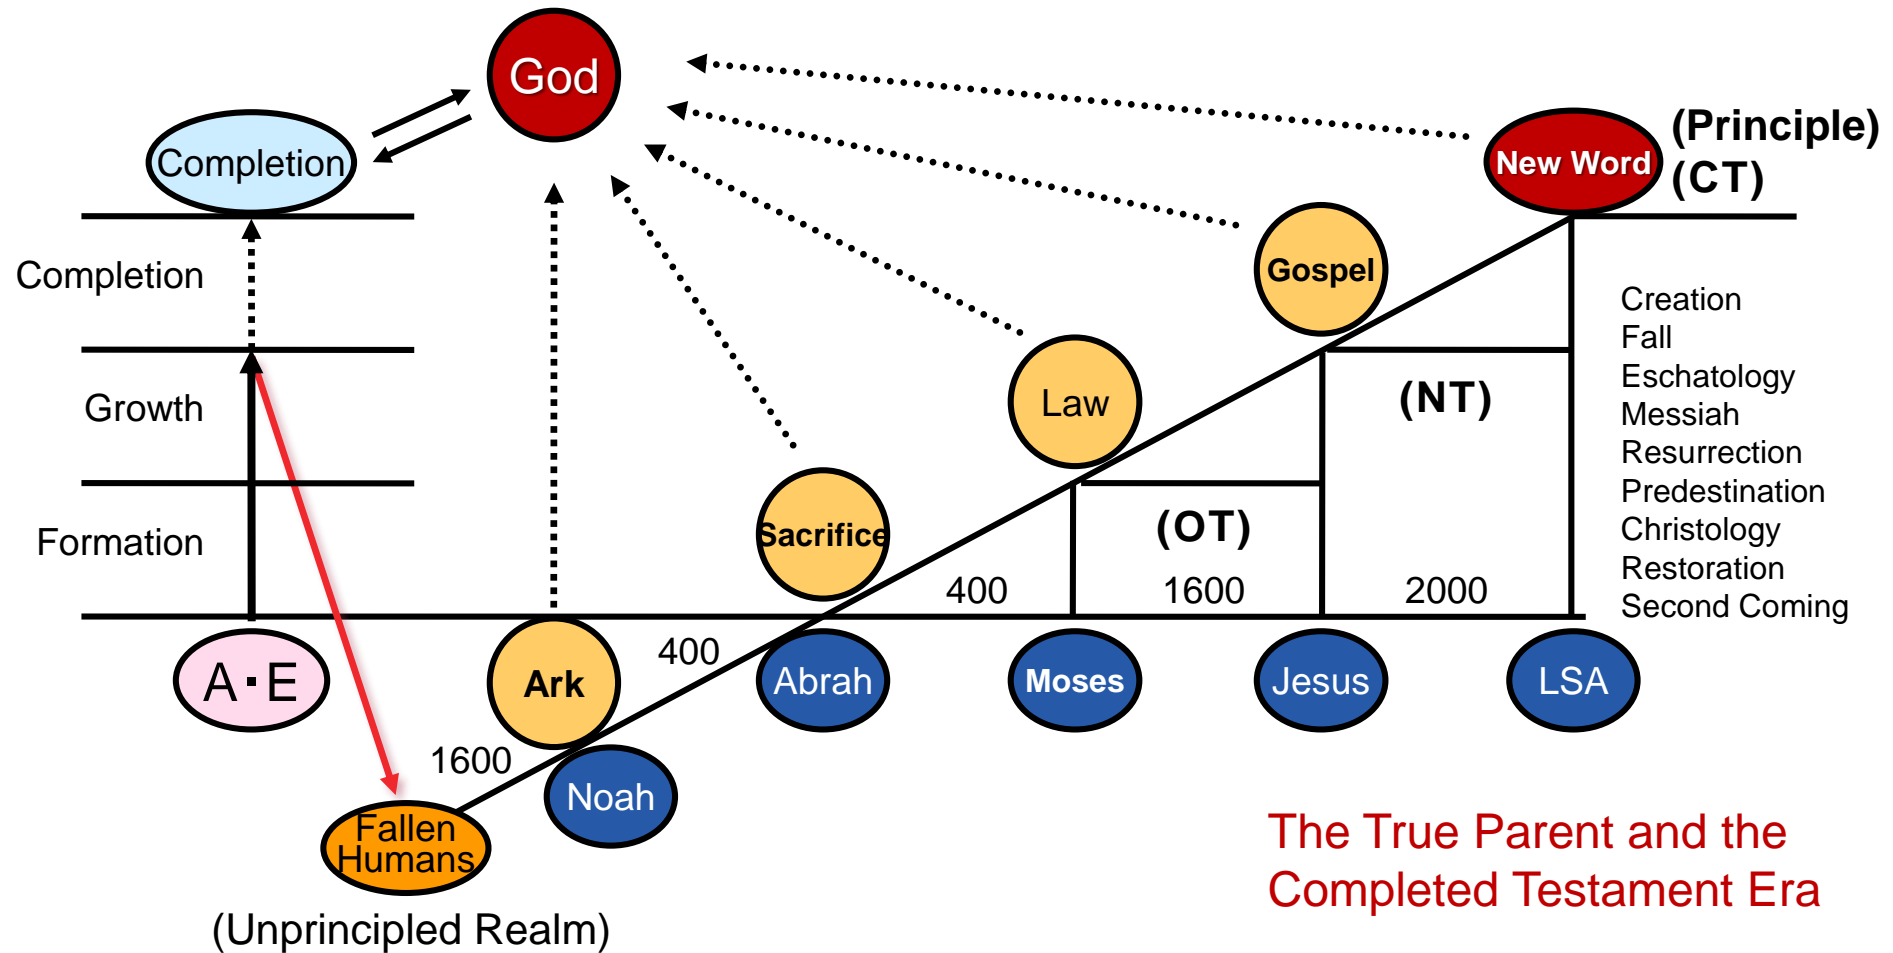

(1) Unification Principle

(2) OSDP Absolute Sex Education

2) People must believe and practice God's word and incorporate His Word into their lives.

3. Emergence of UP as Viewed from Providence

1) From the perspective of providential eras (development of spirit and intellect)

3. Emergence of UP as Viewed from Providence

1) From the perspective of the Bible (biblical basis)

(1) John 16:25

These things have I spoken unto you in proverbs: but the time cometh, when I shall no more speak unto you in proverbs, but I shall show you plainly of the Father.

(2) John 16:12

I have yet many things to say unto you, but ye cannot bear them now.

(3) John 16:13

But when he, the Spirit of truth, comes, he will guide you into all the truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come.

(4) Rev 10:10-11

Thou must prophesy again before many peoples, and nations, and tongues, and kings.

(5) Luke 5:38 New wine must be put into fresh wineskins.

4. Background to UP and OSDP Emergence

1) UP Was Revealed by the True Parent

- Born 1.6.1920 (lunar) born at 2221 Sangsa-ri, Deokeon-myeon, Jeongju-gun, Pyonganbuk-do, Korea
- Easter Morning 1935 (15 y.o.), Received God's Commission
- 1945, Completed Research and Compilation of Heaven's Principle Prior to Korea's Liberation
- 1945~1950, Propagated the Principle

○ Fought and defeated myriad satans in physical and spirit worlds. Received God's approval (imprimatur) to declare on earth. Words of life.

○ **Difficulty of Finding the Principle**: More difficult than finding a particular grain of sand on the floor of the Pacific

○ **Meeting the Messiah (True Parent)**: Meeting the True Parents is more difficult than catching a particular fish in the Pacific.

○ God's Word in the Principle is the nuclear bomb of true love, nuclear bomb of eternal life, nuclear bomb saving the world, words of eternal life, words of unity, words of peace, words of Blessing

Character of UP: Absolute Revelation (Texts X, Brain X)

4. Background to UP and OSDP Emergence

2) Background to Emergence

Rev. Sun Myung Moon authored *Wolli Wonbon* (Principle Original Manuscript), the basis of the Unification Principle. (May 10, 1951 to May 10, 1952)

August 15, 1957 – (5 years later) '*Wolli Haeseol* ('Explanation of the Principle'), which systematically explains the Unification Principle, published.

May 1, 1966 – (9 years later) *Wolli Kangnon* (Exposition of the Principle), outlining the Unification Principle in a systematized, published in lecture format.

October 10, 2008 – (42 years later) *Wolli Boncheron* (OSDP-- Original Substance of Divine Principle') presented.

November 28, 2008 – First publication of OSDP manual

April 5, 2012 – (HC 3.15) *Wolli Boncheron* (Original Substance of Divine Principle') published.

April 9, 2015 – (HC 3.1) Revised and enlarged OSDP published

3) *Wolli Wonbon*

Wolli Haeseol = Formation Principle = Symbolic Principle

Wolli Kangnon (EDP) = Growth Principle = Image Principle

OSDP = Completion Principle = Substantial Principle

4) Structure of *Wolli Boncheron* (OSDP)

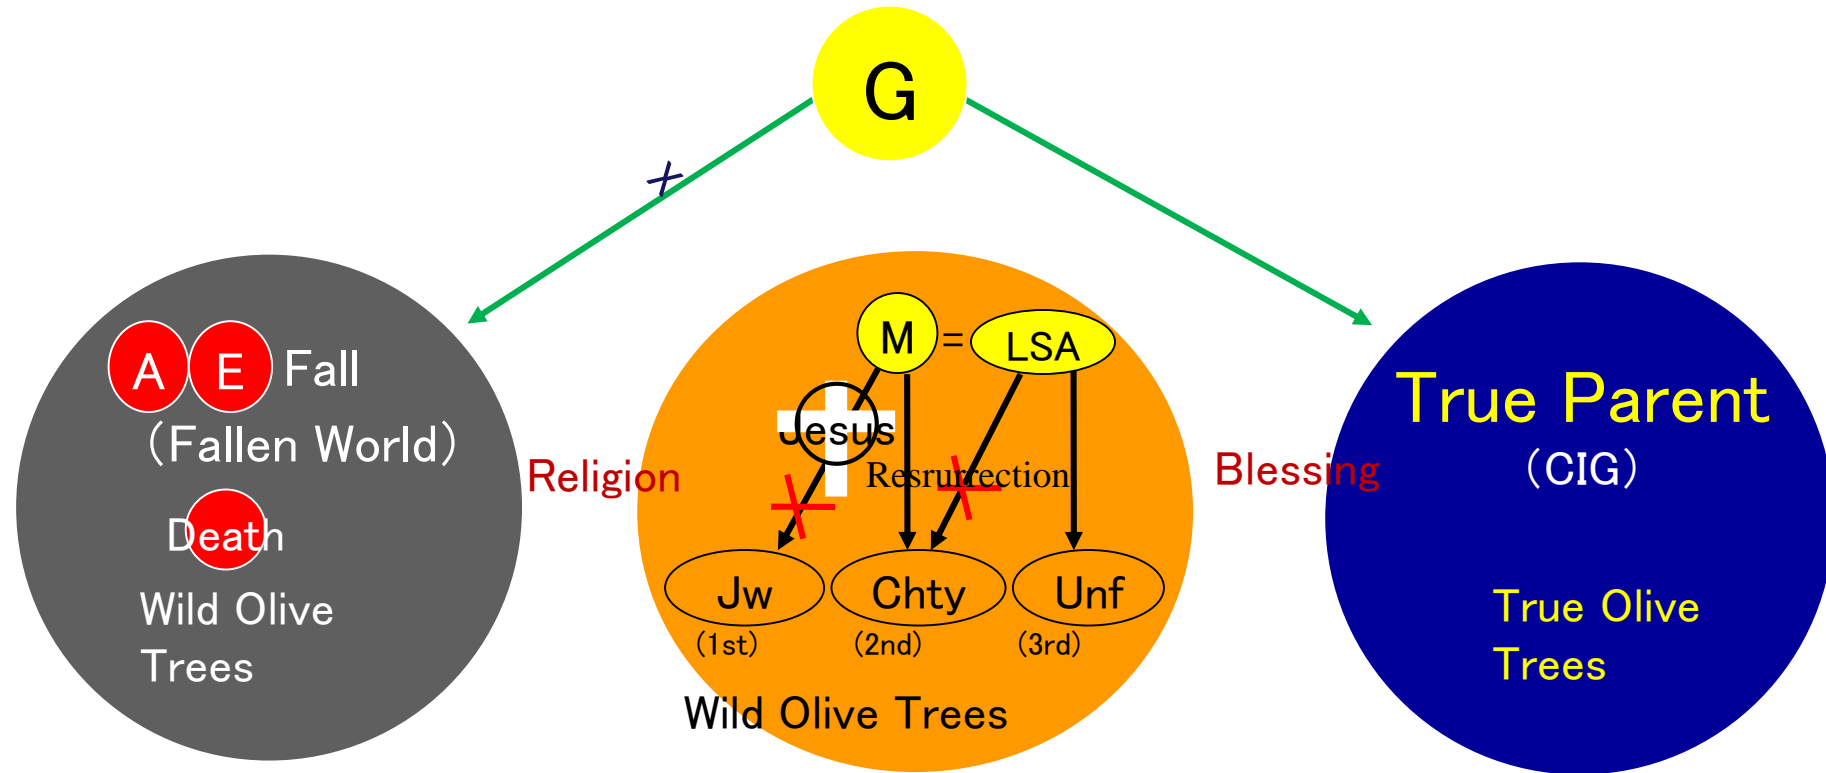

Part I = 7 Chapters; Part II = 7 Chapters (799 pages)

5. How Will We Realize a World of Peace?

1. Realization of the Universal Family Encompassing Heaven and Earth that is God's Ideal of Creation (Realizing the Cheon Il Guk Family)
 - 1) Realize the ideal of true families centered on True Parents (absolute sex · absolute purity · absolute sexual organs)
 - 2) Clarify the basis of democracy and communism (unification of ideology)
 - 3) Unify science and religion (realize a unified world of peace)
 - 4) Solve the basic problems of the Bible (unite denominations and religions)
 - 5) Guide humanity to become God's true children (absolute sex, shimjung, substance)
 - 6) Restore God's homeland (All humanity becomes blessed families in Cheon Il Guk)

2. In order to Realize a Unified World of Peace
 - 1) Know God with certainty
 - 2) Know the Spirit World with certainty
 - 3) Know True Parents with certainty
 - 4) Know with certainty that we are fallen human beings (sinners)
 - 5) Know the Principle of Restoration through Indemnity with certainty
 - 6) Know the human portion of responsibility with certainty

3 Failure of Religion, Especially Christianity

Romans 11:17 The Messiah cuts the wild olive tree branches and grafts on the true olive tree

We are saved not through religion or believing in a religion but by believing in (attending) the Messiah who has come (The True Parent) and receiving the Holy Blessing (True Love).

4. What is God's Fervent Desire?

1. That His people be one
2. That His people live in peace

There must be a philosophy that can bring people together as one

(1) A philosophy that can bring the religious world together

(2) A philosophy that can bring about a peaceful world

To create oneness, the True Parent has proclaimed Godism and Head Wing Thought that are centered on True Love.

5. What is Juche (Subjective) Thought?

A thought to bring the world together in oneness

There must be internal unity and the unity of religions

Once the internal standard has been unified, the external standard must be unified.

This is for the sake of peace.

The purpose of politics should be to bring about peace.

The Crown of Glory

Father wrote this prayer poem in 1935, at the age of 15 (Korean 16).

Father wrote as follows in a book where this prayer poem was published:

“On Easter Sunday morning in the year I turned 16, I met God. From that day forward, I walked the path of God’s Will according to the instructions of Heaven in order to accomplish the Will of God.”

When I doubt people, I feel pain.

When I judge people, it is unbearable.

When I hate people, there is no value to my existence.

Yet if I believe, I am deceived. If I love, I am betrayed.

Suffering and grieving tonight, my head in my hands.

Am I wrong? Yes I am wrong.

Even though we are deceived, still believe,
Though we are betrayed, still forgive.
Love completely, even those who hate you.

Wipe your tears away and welcome with a smile
Those who know nothing but deceit,
And those who betray without regret.

O, Master, the pain of loving.
Look at my hands.
Place your hand on my chest.
My heart is bursting, such agony.

But when I love those who acted against me,
I brought victory.
If you have done the same things,
I will give you the Crown of Glory.

Sun Myung Moon, 1935
